Inspirational Quotes: Introduction

I love inspirational quotes and I'm guessing that you do too, otherwise you wouldn't be reading this ebook. Inspirational quotations can talk to us of love, of happiness, of family, of success (and of failure), of sport, of business... well of life, itself. And they can do so with a wisdom that we all marvel at, too.

"Love is a condition in which the happiness of another person is essential to your own."

-- Galileo

But, of course, some inspirational quotes just make you laugh!
